**Focusing on Women from Allisonanne Studios:**

**Mama & Me Mini-Sessions Charity Event Benefitting Center for Family Services**

Allisonanne Studios is blending her love for capturing family moments & desire to help the community with her Focusing on Women: Mama & Me Mini-Sessions Charity Event on Friday, April 26 & Sunday, April 28 to benefit Center for Family Services.

Allison Caracciolo Gallagher is a professional family & special event photographer. "Capturing special moments with my lens is my job, & being a mother has greatly impacted this work. My photos express innocence & intimacy, love & light, & pure moments of joy. Basically-I document love."

An active member of the community, Allison recently opened photography studio in the heart of Hammonton: she is hanging her sign on 9 Washington Street today! Allisonanne Studio's cozy farmhouse décor is a calm haven, designed to inspire comfort in front of the camera. "It has been so inspirational displaying past client's gorgeous prints: I'm surrounded by the best people. I started thinking how my location is a chance for me to give back, & who better than the families at Center for Family Services."

Center for Family Services has been a force for positive change for almost 100 years! They are dedicated to improving lives by encouraging individuals of all ages & families to reach their full potential through personalized treatment emphasizing vision, hope, & strength.

Warm Allison's new studio with positive intention & book your Mama & Me Mini-Session appointment: 100% of the SITTING FEE DONATED TO CENTER FOR FAMILY SERVICES. Allison will be shooting each Mama & Me Mini-Session with the lighting, production, & love that embody her signature style. Your COMMEMORATIVE GIFT of the unforgettable experience is a 5x5 metal print from your Mama & Me session! Annata Wine Bar will be providing elegant snacks, & everyone will receive special gift bags from our sponsors to extend the experience.
